Waste separation and how to dispose of the waste, and waste collection schedule

This program and schedule only apply to waste generated by ordinary households and residents of Moriguchi City. (Waste generators must dispose of waste generated from their industrial activities on their own.) You can dispose of up to two bags of burnable waste per collection(No maximum number of bags except for burnable waste). Waste that is not correctly separated will not be collected.

Place the refuse at a drop-off location by 9 a.m. on the collection date.

Collection days and times	Twice a week	Once a week	Twice a month	Twice a month	Twice a month	Twice a month	About 4 times a year
	Place waste into a colorless and transparent or white-colored and translucent garbage bag of 45 L or smaller (less than 10 kg) before discarding so that the contents can be seen. (Do not place waste into a container, cardboard box, etc.)
