## Thank you for your cooperation in recycling small appliances.

Collection at the city's designated facilities

#### Bringing small appliances to drop-off boxes

The city has nine drop-off boxes at the city hall and associated facilities to collect used small appliances, such as cameras and game consoles, that can be thrown in the boxes through their slots (20 x 35 cm).

▼ Check how they are collected by the city by entering "recycle small appliances" in the search box on the city's website

小型家電リサイクル

#### Collection service provider that has an agreement with Moriguchi City

### Courier collection from your

Moriguchi City has signed an agreement with ReNet Japan Recycle, Inc., a nationally certified collection service provider, to collect small appliances, including PCs, from your home via a courier service. You can use this service free of charge if a PC is included

The total dimensions (width, depth, and height) of a box for delivery must be 140 cm or shorter. If the weight of the box is 20 kg or lighter, you can put as many items as possible in it.

- \*Be sure to delete data stored on your computer.
- \*An extra fee is charged for a CRT monitor because it costs money
- \*A separate fee is charged for more than one box.
- ▼Request this service through the Internet.

## How to distinguish between oversized waste and miscellaneous trash

The waste item is listed in the List of Oversized Waste. \*Refer to the table on the right

Oversized waste Prior appointment is required. 300-1,800 yen/item

The waste item can be put into a 45-L plastic bag. \*Note that the weight of the bag should be less than 10 kg (for the bag to not be torn).

Miscellaneous trash 300 yen/bag

The total length of the width, depth, and height of the item is less than 2 m.

Miscellaneous trash 300 yen/item

The total length of the width, depth, and height of the item is 2 m or more and less than 3 m. (However, the length of each side should be less than )

Oversized waste Prior appointment is required. 600 yen/item

The total length of the width, depth, and height of the item is 3 m or more and less than 6 m. (However, the length of each side should be less than 2

Oversized waste Prior appointment is required. 900 yen/item

# Prior appointment is required for the collection of oversized waste.

Make an appointment at least two days (except for Saturdays and Sundays) before regular bulky waste collection days (twice a month).

# Collection of batteries/fluorescent lights is free of charge.

(The drop-off boxes are located next to the drop-off box for small appliances.)

Items containing mercury.

Do not put rechargeable batteries, button cells, and lithium-ion batteries in the drop-off boxes because these batteries may ignite Please dispose of them on collection days for dangerous garbage. Commercial waste batteries are not accepted

Only fluorescent lights using mercury (straight, circular, and compact types) generated by ordinary households are accepted-Fluorescent lights used by offices are not accepted.

ncandescent light bulbs, Halogen lamps and LED lamps are classified as miscellaneous trash.

If you don't use drop-off boxes, dispose of them on collection days for dangerous garbage.
